## Standard Real Estate Buyer Lite Terms and Conditions

PLEASE CAREFULLY READ THESE STANDARD REAL ESTATE BUYER'S TERMS AND CONDITIONS PLUS YOUR INVOICE (COLLECTIVELY, THIS "CONTRACT").

Throughout this Contract, the words (i) "we", "us", "our", and the "Company" refer to Achosa Home Warranty, LLC, and (ii) "you", "your" and "Real Estate Buyer" refer to the person contracting for services covered by this Contract identified on the Company's invoice executed by you (the "Invoice") describing the real property (the "Property"), duration of this Contract, and amount owed by you in consideration for our agreement to provide the services. These terms and conditions apply to all Contracts between the Company and purchasers of real estate who elect a Plan as indicated on your invoice. As provided below, certain terms and conditions may differ depending on the coverage level indicated on your invoice.

1. **General.** This is a contract for the repair or replacement of the home appliances and systems specified in this Contract (the "**Equipment**") that break down due to normal wear and tear. This is not a contract for insurance. This Contract covers only the Equipment specifically identified as covered herein and excludes all other items, whether specifically identified as excluded or not.
2. **Customer Service; Procedure.** This Contract allows you to select your own licensed contractor to make covered repairs. All selected contractors must be licensed and insured. You must call our customer service department at (888) 509-2916 to initiate all claims prior to any repair or replacement of Equipment to be eligible for coverage with this Contract. At your request, the Company will provide you with names of licensed contractors in your area. If no covered defects or failures are discovered or repaired during a service call, you are responsible for the entire cost of the service call.
3. **Coverage; Coverage Period; Payment.** Subject to the Limitation of Liability set forth in Section 6 of this Contract:
  - a. This Contract covers only the Equipment located at the Property as specifically identified in Sections 4 and 5 of the Contract for the service(s) on your Invoice. Repair or replacement of covered Equipment is subject to maximum annual dollar limits as provided in this Contract. **In aggregate, and notwithstanding anything**

**to the contrary as may be set forth in this Contract, the Company will pay no more than \$1,000 for covered Equipment in this Contract.**

- b. The Company has the sole right to decide whether to repair or replace the Equipment. All replacements authorized by Company will be of a similar or equivalent quality to the covered Equipment. All replacements must be purchased from a licensed technician or licensed retailer. Should you decide to replace any Equipment with respect to which the Company has decided to cover the repair, the Company will only pay the amount the repair would have cost (less the applicable service fee), and you will be responsible for the difference in cost between repair and replacement.
- c. Coverage under this Contract begins when the Order is confirmed in our system and continues for the term described in the Invoice (the "**Coverage Period**"). Upgrades to this Plan will not change the starting date of the Coverage Period. The new Coverage Period end date will be described in the upgrade Invoice. Payment of the fees required for coverage under this Contract as specified in the Invoice are due and payable on the Property purchase closing date. If payment is not received within fourteen (14) days after such closing date, the Company has a right to cancel this Contract and pursue reimbursement for any claims previously paid, subject to any state specific cancellation limitations. At the Company's discretion, it will provide you options for continuation of service prior to the end of your Coverage Period.
- d. You will be required to pay the lesser of the applicable service fee (\$150) or the actual cost of the service to your selected contractor for each service request. Further, if your selected contractor repairs or replaces Equipment that is not covered by this Contract, or charges more for the service than our coverage limits, you will be required to pay the excess expenses.
- e. You continue to be responsible for normal maintenance on all covered Equipment. Equipment is not covered under this Contract unless it is in proper working order

at the beginning of coverage. To be covered, Equipment must be installed and located within the interior of the main foundation of the primary dwelling (except for air conditioning) of the Property. This Contract provides coverage for unknown defects only if the defect is not detectable through visual inspection or simple mechanical test. The Company may require additional documentation to confirm compliance with these terms and conditions in the event coverage is requested for unknown defects.
